As you know it is a requirement of the exhibition organisers that you have appropriate insurance in place in order to exhibit at the show. As the preferred supplier of insurance for this exhibition we are able to offer a standard package of insurance that meets the requirement of your contractual relationship with the organiser. The suggested basis of cover is detailed overleaf and includes liability, property and cancellation cost insurances.

As well as being a requirement we also believe that it is prudent to take out the necessary insurances, as standard company insurance fails to pick out the specialist risks that are associated with exhibiting at locations away from your normal place of work.

We strongly recommend you check that the cover limits that we offer are adequate for your purposes in order that you are not penalised by under insurance in the event of a claim.

If you wish to be protected by the insurance cover that we are able to offer, you are required to make a payment of £115.00

Payment cannot be accepted after the commencement of the tenancy date.

Any questions or advice relating to insurance should be directed to ourselves on
Tel: +44 1926 420555 Fax: +44 1926 420777 sales@heartlandgroup.co.uk.
